steps to **order**

1. **Let's Chat:**

Contact us to schedule a consultation. You can share your wedding theme, color palette, and any inspiration you have in mind. Whether you have a clear idea or need help brainstorming, we'll work with you!

2. **Design Phase:**

Based on your preferences, we'll create a custom design tailored to your wedding. Each design includes **one free edit** to ensure it's perfect.

3. **Google Drive Access:**

Once finalized, we'll share your files in a Google Drive folder that you will own. This makes it easy to access your designs whenever needed.

4. **Printing Assistance:**

We can help guide you through printing options, or you can take the files to a printer of your choice.
